## March 2022

Dear Brethren,

"Known unto God are all his works from the beginning of the world." (Acts 15:18).  
Greetings once again from Western Australia in the name of the Lord Jesus Christ.

Our Sovereign Lord and Savior has manifested His grace and mercy toward us once again this month with blessings upon His work. He has enabled us to distribute via the local Post office the first of our Gospel Bulletins throughout the communities of Dongara and Port Denison. This means that each of the local boxes at the Post Office as well as each of the houses in the community will receive a bulletin.

These bulletins announce that our services are ongoing, their location, and a welcome for everyone to attend. The Gospel message states the danger and universality of sin upon all, and the glad tidings concerning Jesus Christ as the sinner's only hope. Including also, the proclamation/warning that God commands all men everywhere to repent.

Even though the bulletins are frequently received with hostility, we count it all joy with thankfulness for the opportunity to sow the seed of the Gospel, knowing that the Lord is accomplishing His sovereign purpose. With the understanding also, that He alone is able to give the increase according to His will.

Our sincere thanks for your continued love, encouragement, prayers, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Frank James

### Songs –

Did you know that when a part of a song gets stuck in your head, it is called an earworm? I found this out recently because I had an earworm that lasted for two *long* weeks. I don't even know where I heard the tune, and the chorus of this song kept playing over and over in my head. Therefore, I decided to do a little research on how to remedy this. I hope it doesn't get stuck in your head as well, and I can send you the remedy link if it does, but mine was the chorus to, "Oh My Darling, Clementine." 😊
