"For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." Romans 11:36

April 2017

Greetings in the precious name of Jesus Christ the Lord, "For in him dwelleth all the fullness of the Godhead bodily" (Colossians 2:9).

It has been a privilege once again this month to spread the glad tidings of Good News concerning Christ Jesus into our community. The Lord gave several opportunities for me to speak with people, some of which were lengthy conversations, for which I am thankful. My desire is to simply speak the truth in love, knowing that nothing can be accomplished apart from the effectual working of God's power in the hearts of sinners. Being confident also that He will work effectually in the hearts of His elect at each appointed time.

Our regular services are continuing along well also and we are thankful for the ones who attend regularly as well as for visitors from time to time.

We are also glad to report that Cyd had a better month health-wise and we thank the Lord for answered prayers and for His mercy towards His children.

Thank you once again for your love, prayers, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ, Frank James

News From The Homefront

Phlebotomist –

Since I am asked to get blood work done every few months, I'm getting to be friends with my phlebotomist who is from South Africa. We enjoy discussing the differences between the countries involved. (Australia, the USA, and South Africa.) I told her that I always thought it odd that here in Australia you can't put out-going letters in your mail box and have to take them to the "Post" or drop them in a city-wide mail box. And at the Post, there is almost always a long line or queue. She said her surprise was seeing all the close-up parking spaces at the mall that are for moms with prams and not as much for handicapped people. But we both love the weather and the diversity of the country here. And for the most part, people are without pretension and will say what they are thinking, which I appreciate. I also love that they have healthier food than I see in the USA at restaurants and grocery stores. They are behind on some things such as their Internet systems, but ahead of the game on providing healthy food choices. My new friend said that South Africa is known for its scenery and hospitality. Frank and I have moved so many times that I have lost count. Yet I do see that we can look on either the negative or the positive side as we move to places where the Lord wants us. There are good things and difficult things everywhere. Thus, it's as the Apostle Paul said and to be content wherever we are. I'm praying to do that each day. Even when we go to the Post tomorrow to mail some letters. ☺

A friend in Christ, Cyd James
