**April 2021**

Dear Brethren,

"There is none like unto the God of Jeshurun, who rideth upon the heaven in thy help, and in his excellency on the sky." (Deuteronomy 33:26). Greetings in the name of Jesus Christ. We hope that each one is doing well.

A recent tropical cyclone passed through our area which caused a massive power outage throughout the whole region for several days. In addition, there was major damage to several communities that were hit hard by the severe winds including Northampton where we have been ministering. For this reason, the Emergency Services have been using the RSL Hall in Northampton, powered by a backup generator, to address the needs in the area. As of this writing, power has not been completely restored to the Northampton community.

As a result, I have not been able to have services at the RSL Hall since the cyclone came through and it remains uncertain as to when they can be resumed. I am hopeful that I will be able to start again in the near future. In the meantime, I have prepared a second bulletin to distribute in the area as soon as I am able to resume services. I am also praying about other communities should there be a considerable delay.

Brother Norman Malu, Pastor of the Olmstead Baptist Church in Port Moresby has informed me that although the city and parts of the country are currently being overwhelmed by Covid, the church and brethren there are all well, for which we thank the Lord.

It has been on our hearts to thank each church and individual that in these difficult times pray for us, send support, and special offerings. Your love and kindness toward us and the Lord's work in Australia are greatly appreciated. Our prayers continue to be with you as well.

Thank you again for your continued love, encouragement, prayers, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Frank James
