"For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." Romans 11:36

July 2021

Dear Brethren,

"And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins." (Matthew 1:21). Greetings once again from Western Australia in the name of Christ Jesus the Lord.

It is a blessing to be able to report that the services in Mullewa are going well. The Lord has sent several visitors thus far, and there have been others who have made inquiry concerning the services, for which we are thankful.

A returning visitor who came in a bit late informed me later after the service that there were some locals sitting outside and listening as I had begun the song service, for which we are again thankful. We remain confident in the Lord, knowing that He will save His people, and that His word will not return void to accomplish His sovereign purpose.

Thank you for your continued love, encouragement, prayers, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ, Frank James

News From The Homefront

Being Prepared –

A notice was put in our mailbox that said the water was going to be off due to repairs on the main line. We prepared and had quite a few containers of water ready to go. Then, lo and behold, it was off for only one hour. We're also better prepared for another cyclone with plenty of flashlights and candles and battery powered lanterns. It may be five years from now before another one hits and the power goes out for days, but we are prepared. Even some small generators are on sale.

The same thing has happened with our travels. About ten years ago, we needed Band Aids for a cut finger and the stores were closed. Now, we have been traveling with a stash of Band Aids since that time and have never needed another one. I'm sure most people go through these things. That is why I struggle to pack light. I think that something might happen, and we might need a jacket, extra shoes, and even some popcorn for a snack. 😊
