## **November 2019**

"Serve the LORD with fear, and rejoice with trembling." (Psalm 2:11). Greetings from Western Australia in the precious name of Jesus Christ. We trust that each one is doing well.

We are very thankful to be able to report that the Lord has opened a door to us to further the glad tidings of the Gospel in the Northwest region of Western Australia. His kind providence has directed us to Port Hedland where I have been enabled to secure an apartment for Cyd and me to occupy. The apartment is small and mostly furnished; thus, it has been unnecessary for the present time to move that much of our household belongings from storage in Geraldton.

However, travel has occupied quite a lot of my time this month in order to also transport that which is needed to do mission work here in Port Hedland. A couple of days before I was to travel back to Geraldton, I was notified that our storage unit (along with twenty others) had been broken into the night before. After arriving, I was unable to find anything that had been taken from our unit, for which we are very thankful again to the kind providence and protection of the Lord. My scooter (which is a great help in the work) nor my tools, which were located in the front of the unit were disturbed. We praise the Lord for His goodness and grace towards His people.

Cyd is presently making final preparations for her travel back to Australia as well. She will be arriving the first week in December.

Pastor Norman Malu in Port Moresby in Papua New Guinea (PNG) has informed me of his upcoming travel to the Highlands. He will be helping Brother Pewa with instruction for several months in preparation for his ordination. Your prayers for the brethren and the Lord's churches in PNG are much appreciated.

Thank you for your continued love, prayers, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Frank James
