## **December 2015**

Greetings once again from Australia in the precious name of the Lord Jesus Christ. We trust that this report finds each one doing well while enjoying God's abiding blessings.

It has come to our attention that there are some who missed our announcements in our mission reports and are sending the mission support to the wrong address and it is being returned. Since becoming members at Home Missionary Baptist Church, we have included the physical address of our home church in Mt. Morris, MI located on Saginaw Road in the heading of our mission reports. However, there is no mail receptacle at the church building, and mail cannot be delivered there and will be returned to the sender. I am sorry for this confusion.

In an effort to remedy this difficulty, we have changed the address in our mission report heading to **6389 Lake Road, Millington, MI 48746**, which is the correct address for all support to be sent regarding the work in Australia. The above address belongs to our mission treasurer who receives and accounts for all the support for our work. Thank you for your co-operation and understanding. Should anyone need any further clarification, please feel welcome to contact us.

This month our former neighbor passed away after a long illness with cancer. We had kept up with her and her husband after moving to our current residence in Perth. They are both in their 80's, and had asked me before she passed away to take part in her funeral. It has been a blessing to know them and to have had several opportunities to speak with them about the Lord.

The mission work continues on and I have been able to pass out the rest of the tracts that I had printed a few months ago. It is also a blessing to talk to people about the Lord as various opportunities arise. I hope to be able to have a new batch of tracts printed early in the new year, the Lord willing.

Cyd's health hasn't been as well this month. We appreciate your prayers for her. She will also be seeing an eye specialist on January 14<sup>th</sup> about an issue that concerned her optician.

Our sincere thanks for your prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Frank James
