## **December 2016**

Greetings once again from Western Australia in the precious name of Jesus Christ the Lord.

The month of December has gone by speedily for Cyd and me as the summer months bring on increased tasks. However, we are both thankful for the warmer weather and abundant sunshine that attends this time of year.

The ongoing work of announcing the Gospel is going well, and we continue to enjoy the regular services at the Primary School where we meet. We have been thankful for the attendance of some visitors as well.

It was a blessing to be invited by one of our visitors to attend a nearby Christian fellowship with the view in mind that he would like me to preach for them. The group of people that meet there have been without a pastor for some time. I told him that I would be happy to do so, but would like to meet with him beforehand so that we both might fully understand the nature and circumstance surrounding the invitation. After doing so, it was decided that it would not be a good idea after all, mainly concerning my views on salvation and the Lord's church. Our meeting was attended with grace and kindness from the Lord, and our parting friendly, for which we thank Him.

Thank you for your love, prayers, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ, Frank James

### **Seniors:**

Being a senior has ended up being a good thing in our lives. Though I'm not quite there yet, Frank has his senior card and it's amazing at the little discounts he gets. Last night there was an article Online about more benefits for seniors here in Western Australia in 2017. I read it and told Frank that it said he could get \$53.00 off a pair of spectacles per year. ☺ Each stage of life is interesting and I'm starting to embrace being a senior and have always loved being a grandmother. Also, people don't expect much from us as in remembering anything. There are even senior parking places at the malls over here. Maybe they did that because some of us forget where we parked and think our vehicle is stolen. ☺
