## **February 2016**

Greetings from Western Australia in the precious name of the Lord Jesus Christ.

We are thankful to be able to report that the Lord's work here in Perth continues on at a steady pace with our regular efforts to propagate the gospel within the many neighborhoods in our area. The Lord has still been blessing with opportunities to talk to various people. Our worship services at the Primary School also are going well, for which we praise the Lord, and we continue to beseech the Lord concerning lost sinners and His blessing upon the Gospel.

Bro. Norman has returned to Port Moresby (in Papua New Guinea) from his mission trip to the Highlands. The Lord blessed him with a safe journey and blessings upon the preaching and teaching of the Word among the Lord's churches there. I hope to be able to talk with him in greater detail concerning the trip in the near future.

Our sincere thanks once again for your faithful prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,  
Frank James

### **Growing Older:**

As we grow older, we all seem to misplace things and forget things. Frank has lost his glasses and the remote control to the garage several times lately. Then as we take a walk, I tell him, "Please help me to remember to write down "such and such" on the grocery list." Then when we get home, neither of us can remember what it was that I was going to write down. This past week, I noticed that Frank's glasses or "readers" were missing from where he usually keeps them. Being Type A clean, I notice such things. So I started looking for them. One time I found them on a window sill, thus I was looking in every nook and cranny. Then I came into our bedroom and saw my glasses on my bedside table and realized that I was wearing his glasses and not mine. The missing pair were on my head. ☺ Usually I wear contacts but I had just gotten up and hadn't had time to put them in. I had actually remembered some things for the grocery list and put on his glasses to see to write. We keep a sense of humor about these things as neither of us knows what we will forget or where we will find things. ☺

A friend in Christ, Cyd James
