"For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." Romans 11:36

October 2015

Greetings from Australia in the precious name of the Lord Jesus Christ.

Cyd and I are thankful to be back in Australia, as we returned early this month without any difficulties. While the trip was tiring, we are gradually recovering from the jet lag associated with long flights and extended travel. At the same time we have been getting our home and yard back into shape.

We were also very thankful to resume our services once again on the Lord's Day following our arrival back to Perth. It was a blessing to see the Capistrano family who have been faithful to attend the services since we moved to Perth earlier this year.

It has been a matter of prayer for some time for us to be able to better reach the city and beyond with the message of the Gospel as well as to make ourselves known to the communities around our meeting place. Toward this goal, we have been able to put a down payment on a motor scooter, which will greatly increase our effectiveness and efficiency in distributing our gospel materials from one neighborhood to another. I have also been working on getting the appropriate license attached to my current driver's license, which is a requirement here.

Bro. Norman reports from Port Moresby that the church there is doing well and has been blessed with several people being saved and others being added to the church via letter from churches in the Highlands. He also requested prayers for the country of Papua New Guinea as it is in a very severe drought. This is especially difficult for those in the Highlands who depend upon the rainfall for their gardens. Some have even had their jobs shut down due to a lack of water.

Your prayers for Bro. Norman are also appreciated as He plans to make another mission trip to the Highlands toward the end of this year. He hopes to be able to take his wife and children with him also this time, as they have not had an opportunity to see their family for a number of years.

A note of reminder to our supporting churches concerning the address for support.

Thank you once again for your prayers, love, encouragement, and support for the Lord's work in Australia and Papua New Guinea.

Love in Christ,
Frank James
